January 20, 2023

To our valued customer,

As required under the Toxic Substances Control Act (TSCA), EPA has issued five final rules on January 6, 2021 to reduce exposures to certain chemicals that are persistent, bioaccumulative and toxic (PBT). These chemicals build up in the environment over time and can therefore have potential health risks. The stainless steel produced by NAS does not contain the PBTs listed below:

Decabromodiphenyl ether (decaDDE)
Phenol, isopropylated phosphate (3:1) (PIP (3:1))
2,4,6- Tris (tert-butyl)phenol (2,4,6-TTBP)
Hexachlorobutadiene (HCBd)
Pentachlorothiophenol (PCTP)

NAS will not provide any product containing these PBTs without prior notification.

If you have any questions, please do not hesitate to contact me at 502-347-6534.

Sincerely,

A handwritten signature in blue ink, appearing to read "Maria Eichelberger". The signature is fluid and cursive, written over a white background.
